News

Bridgeway Selected Again as Hy-Vee's Nonprofit Organization for March and April

We are so excited to share that Bridgeway has been selected AGAIN to benefit from Hy-Vee's Reusable Bag Program, which makes it easy for customers to contribute to their local communities. For the months of March and April, whenever a \$2.50 "My Heart" Reusable Bag is purchased at the Hy-Vee located at 1975 National Boulevard in Galesburg, \$1 will be donated to Bridgeway. This is a great way to broaden awareness and help our cause.

Let's get started! Share the news with friends and family. Call, send emails and post on social media. The more people who purchase the "My Heart" Reusable Bag in March and April, the more we can raise!

To learn more about this program, please visit hy-vee.2givelocal.com.

West Central Illinois ROSC "Recovery Comedy Night" a Huge Success

On Saturday, February 11th, West Central Illinois ROSC hosted their first ROSC Recovery Comedy Night at Cedar Creek Hall in Galesburg. Jeff McFadden, McDonough/Fulton County ROSC's System of Care Coordinator, was the comedy star of the night.

Leann, Jeff, and the ROSC Council did an amazing job of marketing this event as there were over 180 people in attendance. The night featured free admission, the opportunity to purchase food and beverage, a presentation from Oxford House's Zach George, and of course the main event of Jeff's comedy skit.

Events like these are incredibly valuable to the recovery community, as most events geared towards the recovery community are centered around recovery versus having a fun night out. Bridgeway is so proud of our ROSC programs for providing this type of program for the community and for doing an amazing job on this event! Thank you to all the staff who attended this event and great job to those who put it together!

Bridgeway Hosting Business Before Hours

Galesburg Chamber Members and Bridgeway stakeholders, this message is for you!

Bridgeway is sponsoring Business Before Hours put on through the Galesburg Chamber of Commerce on Tuesday, March 7th. The event runs from 7:30am-9:00am at The Vault (185 S. Kellogg Street in Galesburg).

Discover Wellness Summit Sponsorship Request

This year's Discover Wellness Summit will take place on Friday, September 15th at Carl Sandburg College in Galesburg, so **save the date!** Last year was a huge success- we had over 230 community members register, and we had two amazing keynote speakers, over 30 educational breakout sessions, and a resourceful wellness fair that helped our community members celebrate their wellness with us.

We want to continue that storied success at this year's Discover Wellness Summit. Please consider sponsoring this important community event. We have four levels of sponsorships available- \$250, \$500, \$750, and \$1,000. Attached below is the sponsorship form, if you or your organization would be interested in sponsoring, please email Keri Dodson at kerid@bway.org. We look forward to a wonderful partnership!

Mental Health First Aid Training

Mental Health First Aid is an evidence based public education program that can help individuals across the community understand mental illnesses, support timely intervention and save lives.

What is Mental Health First Aid?

Mental Health First Aid teaches how to identify, understand and respond to signs of mental illnesses and substance use disorders. The course introduces participants to risk factors and warning signs of mental health concerns, builds understanding of their impact and provides an overview of common treatments. Through role-playing and simulations, it demonstrates how to assess a mental health crisis; select interventions; provide initial help; and connect people to professional, peer and social supports as well as self-help resources.

Adult Mental Health First Aid encourages early detection and intervention by teaching participants about the signs and symptoms of specific illnesses like anxiety, depression, schizophrenia, bipolar disorder, eating disorders and addictions. The program offers

concrete tools and answers key questions like “What can I do?” and “Where can someone find help?” Participants are introduced to local mental health resources, national organizations, support groups and online tools for mental health and addiction treatment and support.

Youth Mental Health First Aid is designed to teach neighbors, teachers, parents, peers, and caring citizens how to help a youth or teen who is experiencing a mental health or substance use challenge or is in crisis. The course discusses mental health challenges for youth, reviews typical adolescent development, and provides guidance through the ALGEE action plan for both crisis and non-crisis situations.

Teen Mental Health First Aid (tMHFA) is delivered to teens in either grades 10, 11 or 12. It teaches students a peer to peer approach of identifying issues and how to aid a fellow teen. The training is provided over several different sessions and takes place at the high school. All students of the identified grade level are trained in the material.

Mental Health First Aid USA is operated by the National Council for Mental Wellbeing. Bridgeway Inc. has staff trained as Mental Health First Aid Instructors which enables us to provide this training in our communities. A grant from the Illinois Department of Human Services Division of Mental Health makes it possible to offer this training free of charge.

Bridgeway provides the following versions of MHFA: Adult, Youth, Teen, Higher Education, Fire/Ems and Veterans.

To request more information about our Mental Health First Aid education program, please email mhfa@bway.org
